Dear Mr. Louah:

The Ministry of Education of Saskatchewan has evaluated the novel *Le chant de la colombe* through its regular evaluation process.

The resource was evaluated as supportive of the Grade 6 French Language Arts program for the following reasons:

- It is a mystery novel – mystery novels are a theme introduced in Grade 6.
- The language is deemed appropriate for students at the intermediate level.

While the language of the novel may present a challenge for some Grade 6 students, the subject of the novel was deemed of interest and worthwhile for students at this level.

The resource *Le chant de la colombe* was recommended as a supplementary resource to support the Grade 6 French Language Arts program in Saskatchewan.

Permission is granted to cite these comments.
